

HIGH FLIER

MARCH 5, 2010

The mission of Holy Trinity Lutheran School is to reach out to families and children with the Good News of Jesus through a Christ-centered, loving, and forgiving environment of academic excellence.

From the Director:

Next week we will be celebrating **National Lutheran Schools Week** (March 8-12). Each day we will have a different "dress-up day" theme for the students (see below) and everyone will want to be sure to check out our **Book Fair** that will be open all week as well. We will be moving our weekly **chapel** service to Friday so that our grandparents are able to join us. Friday will be **Grandparents Day** and after chapel we will have a simple breakfast and opportunities to visit classrooms, the Book Fair, and see a puppet show performed by our 3rd graders. Grandparents may then take students to lunch and returning to school is optional. If students would rather spend the remainder of the day with their grandparents then they are free to do so.

We will be doing a service project next week called "**Mountain of Giving**". We will be collecting canned goods (pop top type that can be handed to the homeless), macaroni and cheese, peanut butter, and cleaning supplies. Come in next week and see our display of donations located in the gym.

Thank you,
Bill Hiskey

CFA Scholarships - Holy Trinity Lutheran School wants to be able to provide a Christian education to families regardless of their income. For those that can demonstrate need there is a scholarship fund that can help with tuition. CFA is an outside agency that reviews a family's income and informs us of the amount of assistance needed. If you would like to apply for tuition assistance, please contact Bill Hiskey at 843-1001.
